

Rossville Family,

The past few months have been a trying time for our family. Your elders have been in constant prayer and discussion of how to safely resume our assemblies together. In an effort to accomplish this, we have established guidelines for our assemblies.

1. Social distancing is to be practiced. The auditorium will have pews marked off. Please only sit in open areas.
2. Face coverings (preferably masks) will be required. We are asking that you bring your own covering/mask. We will be using power point slides for our song service. No books will be in the back of the pews.
3. Disposable communion cups will be available in both foyer areas. Please take one as you arrive.
4. Parents- We are asking that children remain with you at all times.
5. Please observe good hand washing techniques. Signs are posted in the restrooms. Hand sanitizer is available in the foyer.
6. At the close of service, we ask that you take your empty communion cups and dispose of all trash outside the building.
7. We will have a bucket for your contributions in the back of the auditorium. Please drop your contributions in as you enter or exit the building.
8. We are strongly recommending that anyone with a compromised immune system stay at home.

We ask that you continue to pray for us as we attempt to glorify God, encourage one another and prove to be a light to our neighbors and community.

In Christian Love,
Your eldership
