Needs for Rossville Middle School Students

We will be collecting monetary donations to purchase gifts for students in need at the Rossville Middle School again this year. In years past, we have been able to provide winter coats, shoes, clothing, hygiene items, warm blankets, and wish list items for students in need. We would have never been able to do this without the generous contributions of the congregation. This has been a challenging year for us all and we greatly appreciate your donations for this special project to bring a little Christmas cheer to the youth in need in our community.

If you would like to make a donation, please give contribution to David Best and designate the money to go towards gifts for Rossville Middle School students.

If you have any questions about the program, please contact Alan Norton.

House to House — Heart to Heart Evangelism Outreach Contacts

Please make sure you turn in your list of names for the heart to heart mailings. Our goal is to reach 1,000 names of people we know that we would like to receive this information.

These forms/folder are located on the island beside the communion tables located in both foyers. Please complete the form and place in the folder.
