**DOORPOST DEVO**

**Matthew 6:25-34**

**Encouragement from God's Word**

Is there enough? Am I enough? What will happen tomorrow? Will I be able to face the trouble found there? These enduring questions often burden our thoughts. Even in cultures and societies where we know where our next meal is coming from, anxiety is a perpetual plague. This is an irony of our digital age in modern American culture. Although many of us in our country have more luxuries, access to food, and most of our physical necessities, our society is still increasingly anxious. Worry is more the norm than the exception. In this hard and unpredictable world, there is much to be anxious about each day.

**Look for the rest of this Doorpost Devo by

**Welcome To Rossville!!**

Your presence has helped to make this a very special day.  
It is our prayer, that you will be uplifted and encouraged as you come to worship with us.
