April 26th.

*The Bible tells us that Jesus Christ is the very embodiment of the wisdom of God.*

He entered into the world to demonstrate to us what it looks like to endure the trials of life in a truly wise and joyful way. Jesus shows us that suffering is not worthless. It is not meaningless. God used the greatest pain and evil in Jesus for the greatest good and joy. And I believe that, if we ask, God will help us to be shaped more and more into people who are wise like Jesus. He will not hold back any good gift from us in our trials because he did not hold back his own Son. In our trials, let us seek the wisdom of God and trust in the one in who is the same yesterday, today, and forever.

*"If any of you lacks wisdom, let him ask God, who gives generously to all without reproach, and it will be given him." (James 1:5)*
