Mission workers at

New Plymouth Church of Christ in New Zealand

The work in New Zealand continues to grow. There was recent devastation to an area 6 hours away called Napier. They did many things to help, such as collecting and distributing food, clothing and much needed items. They even helped make access for the vehicles where the storm had destroyed the roads.

Chris & Michelle have many outreach projects planned/recent activity:

- New church camp this past April 7th-10th – an inter congregational event titled “Faith is the Victory”
- Hosting once again Freed Hardeman students May 15th-June 6th, who will be allocated to different congregations in New Zealand
- Hosting a seminar the end of August and first of September

All this along with their daily activities and weekly classes and worship times.

Please be sure and check out our Mission Board down the side hallway to see more information regarding the most recent work being done in New Zealand and other areas of the world that we support here at Rossville.

**Family trip to the
Ark Encounter, Creation Museum
and Kings Island Amusement Park
