## **Encouragement from God's Word**

There is a lot of talk and speculation about angels in the world. What do they look like? How do they work? Are they among us today? While these questions may be interesting to ponder, Hebrews reminds us that we have someone far superior to angels. Angels are good because they are servants and messengers of God, but Jesus is far better. He is not just a messenger; He is God's final Word and Message. He is not just a servant; He is the unique Son of God and King of the universe. It is not wrong to think about angels, but it is far better to set our minds on Jesus, the one who is our King, our High Priest, and who has a far more excellent name than any other. Let us hear Him.

"He is the radiance of the glory of God and the exact imprint of his nature, and he upholds the universe by the word of his power. After making purification for sins, he sat down at the right hand of the Majesty on high, having become as much superior to angels as the name he has inherited is more excellent than theirs" (Hebrews 1:3-4).
