Shepherd's Corner

Satchel Paige was the oldest player ever to play his first game in Major League Baseball at age 42 in 1948 after many years in the Negro league. His last game in MLB was in 1965 as the oldest player 59. He was inducted into the Baseball Hall of Fame in 1971. He is a great part of baseball's history. So, what does he have to do with this Corner note. At some time, he said this: "Don't pray when it rains if you don't pray when the sun shines." Think about it. Farmers must pray for both. Bro. Jack said that after attending a recent seminar he was certain that we should pray continuously. There are so many things that concern us that we should take to our Heavenly Father. We shouldn't put it off. We need his peace, his help in time sorrow, his love and his encouragement to name just a few. Our prayer list can be endless. The Church, our sick, family, friends, enemies, our leaders, our country, even rain and on and on.

Just as Jack reminded us: "Pray without ceasing" 1 Thessalonians 5:17.

Our lives will be so much better.
