DISCIPLES

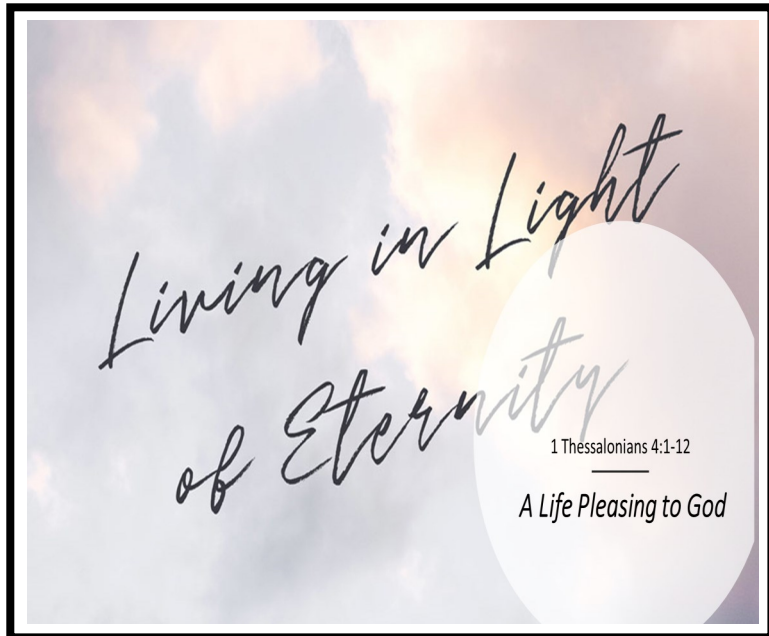

How often have we read Matthew 28:18-20? Let's look specifically at verse 19. Jesus is talking to his eleven disciples. He is telling them to go into all the world and make disciples. Could this group accomplish this enormous task within their lifetimes? The Earth is a broad expanse and transportation was somewhat archaic. They would never complete "all nations" before leaving this life. But our Lord had a plan! He knew that His original disciples could not do it alone. So, He had them go out and make disciples and baptize them. Then these new converts were to go out and make more disciples. This group would continue to make disciples and teach them to teach others. So has it been since He gave His instructions to the eleven. Christ's plan is still in effect today. Our mission is to do what the original eleven did. Make disciples and teach them to do the same. Are we working the Lord's plan to its fullest potential?

Welcome To Rossville!!

Your presence has helped to make this a very special day. It is our prayer, that you will be uplifted and encouraged as we give praise to our Lord. Thank you for your attendance, and may God bless us as we worship and serve him.
